* Oregon Education Association – People for Improvement of Education (OEA-PIE) collects voluntary contributions from members to support recommended candidates in state elections. Local or area Political Action Committees (PACs) collect voluntary contributions from members to support recommended issues or candidates in local and state elections. The National Education Association Fund for Children and Public Education (NEA-FCPE) collects voluntary contributions from Association for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. Contributions to OEA-PIE, NEA-FCPE and the local PAC are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although OEA suggests an annual contribution of \$100 to OEA-PIE, \$20 and to NEA-FCPE, and \$10 to your local PAC, these are only suggestions. A member may contribute more or less than the suggested amount or may contribute nothing at all, without it affecting his or her membership status, rights or benefits in OEA, NEA or the Local Education Association.												
If you wish to contribute, please check the boxes marked for OEA-PIE, NEA FCPE or LOCAL-PAC and write in your contribution amount. Contributions in these amounts will be deducted for the current membership year and for each membership year thereafter in accordance with the payroll deduction procedure unless you revoke this authorization for any succeeding membership year by giving written notice on or before October 1 of that year.												
Contributions to OEA-PIE and local PACs are eligible for a state tax credit of up to \$50.00 per individual return or \$100.00 per joint return. OEA, NEA and local association dues payments and OEA-PIE, NEA-FCPE and local PAC contributions and gifts are not deductible as charitable contributions for federal income tax purposes. DEA and NEA dues payments (or a portion) may be deductible as a miscellaneous itemized deduction.
